

## QUALITY POLICY STATEMENT

March Construction is committed to the delivering its clients the highest level of quality workmanship and service to ensure a successful outcome on their projects. Our commitment to and capability in quality management is achieved by:

- Establishing, monitoring and auditing a quality management system that is consistent with the NZCF QEST Civil Construction Management Code, QEST Integrated Management System and the certification requirements of ISO 9001
- Providing sufficient and suitable resources to implement and maintain this quality system
- Employing suitably qualified, skilled, experienced and motivated employees
- Educating and training in order to continually improve employee skills, awareness and knowledge of quality issues and practices
- Identifying, investigating and satisfactorily resolving all non-conformances as part of a drive for continuous improvement
- Monitoring and evaluating the quality performance of consultants, subcontractors and suppliers and implementing effective communication with them on quality and non-conformance issues
- Annually reviewing quality objectives, targets and policy as part of a drive for continuous improvement in the QEST Integrated Management System

A handwritten signature in blue ink, appearing to read "Guy March", is positioned above the typed name.
